🌐StayFinder - Route Access Guide

✅Frontend Route Links

Page	URL
Homepage (Listings)	http://localhost:3000
Login Page	http://localhost:3000/login
Register Page	http://localhost:3000/register
Dashboard Page	http://localhost:3000/dashboard
Listing Detail Page	http://localhost:3000/listings/\:id *(Replace `` with an actual listing ID)*

🛑Steps to Access These Locally

✔️Run backend (API):

```
cd stayfinder-server
npm install
node app.js
```

🆕Run frontend (React):

```
cd stayfinder-client
npm install
npm start
```

After running both backend and frontend, open a browser and visit the URLs above to access each part of the app.
